Seesaw is a way for educators to record children's time at OSHC and share it with their families. Each child has their own journal and educators will be able to add learning stories to it, such as photos, videos and formal observations. Happy Haven will also be using Seesaw to communicate and advertise vacation care, pupil free days and special events.

Parents are notified via the app when there are new Seesaw posts. Families are only notified about their own child's learning journal, ensuring all data is safe and secure.

To sign up to Seesaw you will need to download the app "Seesaw parent and family" on your table or smart device, once you have done this please see our staff to receive your child's individual QR code.
