Policy: STUDENT MOBILE PHONE / SIM CONNECTED SMART WATCH

Review Date: May 2022

PURPOSE

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

MOBILE PHONE USE FOR PRIMARY SCHOOL STUDENTS

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so parents can contact them outside of school hours

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or switch to mute their devices before storing them in the front office, at the beginning of the school day. They will not be able to access their device until the end of the school day. Students with a smart watch / device will be permitted to wear the watch in 'School mode' only. School mode means that from 8.30am – 3.15pm, the device must be disabled from making or receiving phone calls and text messages, taking photographs and playing games.

STORAGE OF PERSONAL DEVICES

Student devices will be handed in to administration where they will be labelled and stored securely for the day.

IF THE STUDENT DOES NOT COMPLY

Should a student be found to be in possession of a mobile phone or enabled smart watch/device during the school day the following will occur:

- first occasion they will receive a warning and it will be removed and delivered to administration
- second occasion, parents will be notified, it will be removed and delivered to administration. The student will be required to complete office time
- third occasion, it will be removed and delivered to administration. Parents/Carers will be called and the student will be suspended

Any mobile phones / devices / enabled smart watch that is confiscated will be securely stored in administration. It will be returned at the end of the day.
